Hi Dore:

It's been a while since the Planning Board has had an oversight meeting with the Board of Selectmen. We haven't had any Beacon coverage in a while, and it would be great to update the Selectmen as well as the public about our accomplishments as well as some of the challenges that we need to tackle in the near future. When would be a good time to get on the agenda?

Sincerely,

Lauren Rosenzweig

Hi Dore':

Some of the items we'd like to cover at the oversight meeting are as follows:

- 1) A brief update on the progress of the Master Plan, especially the Village Plans
- 2) A discussion of Fall Town Meeting vs. Spring Town Meeting for zoning articles. The sense of the board is that zoning should be done at the regular Spring Town Meeting.
- 3) How to improve Planning Board/Selectmen communication re: zoning articles
- 4) Funding for the Planning Department

We look forward to meeting with you. Feel free to contact me on Monday if you have any questions. Have a Happy Thanksgiving!

Sincerely,

Lauren Rosenzweig, Chair
Acton Planning Board
